2011 Tuesday Conference Seminar Schedule
East Pavilion Auditorium - BJH South, 1st Floor
12:00 - 1:00 PM

January 4  Cancelled for ACS Grant Preparation
January 11 Cancelled for ACS Grant Preparation
January 18  TBA
            John Cirrito, PhD, Washington University
January 25  Collateral Damage with γ-Secretase Inhibitors: Skin, Gut, and Endothelial Cells
            Raphael Kopan, PhD, Washington University
February 1  Knight ADRC Tissue Resources
            Nigel Cairns, PhD, Anne Fagan, PhD, and Alison Goate, DPhil, Washington University
February 8  TBA
            Beau Ances, MD, PhD, Washington University
February 15 Towards Productive Aging: Systemic Control of Metabolism and Aging by SIRT1 and NAMPT-
            Mediated NAD Biosynthesis in the NAD World
            Shin-ichiro Imai, PhD, Washington University
February 22 Alzheimer’s Association Update
            Jan McGillick, Carroll Rodriguez, and Stacy Tew-Lovasz, Alzheimer’s Association-St. Louis Chapter
March 1    Functional Effects of Genetic Variants Associated with Alzheimer’s Disease
            Celeste Karch, PhD, Washington University
March 8    TBA
            C. Chris Weihl, MD, PhD, Washington University
March 15   Emotional Influences on Cognition in Early Stage Alzheimer’s Disease
            Randy Larsen, PhD, Washington University
March 22   RGS10: A Regulator of Neuroinflammation and its Role in Models of Neurodegeneration
            Malú Tansey, PhD, Emory University School of Medicine
March 29   mTOR Signaling in Nerve Regeneration
            Valeria Cavalli, PhD, Washington University

* If you have new findings to share in this series, please contact Krista Moulder, PhD, at 286-2012 or moulderk@abraxas.wustl.edu to schedule a presentation date. Thank you.

CME ACCREDITATION
Washington University is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Washington University designates this educational activity for maximum of 1.0 hours in category 1 credit toward the AMA Physician’s Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

DISCLOSURE POLICY
It is the policy of Washington University School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational activities. All faculty participating in this activity are expected to disclose to the audience any significant financial interest or other relationship he/she has with the manufacturer(s) of any commercial product(s) discussed in an educational presentation.
