Panel discussion and Q & A to follow  

This educational event is for all who are interested in learning more about memory disorders, their diagnosis and treatment, and how to care for persons with dementia and their families more effectively. This program will address challenging issues, such as how to assess driving capacity, and it will provide information on local services to benefit your patients.  

After the program visit a wide variety of informational booths and enjoy refreshments at the Reception.

The Eric P. Newman Education Center is located on the Barnes-Jewish Hospital campus at Highway 40 and North Kingshighway. Parking is available in the North Garage, bring in ticket for validation.  

Call 314-TOP-DOCS (314-867-3627) or toll-free 1-866-867-3627 to register today or for more information.
