## About the Lecturer

Jennifer J. Manly, Ph.D., is an Assistant Professor of Neuropsychology in Neurology at the G.H. Sergievsky Center and the Taub Institute for Research in Aging and Alzheimer's disease at Columbia University, New York.

Her research on cognitive test performance among African American and Hispanic elders is currently funded by the National Institute on Aging and the Alzheimer's Association. She has authored over 40 peer-reviewed publications and 6 book chapters.

## Location & Parking

The East Pavilion Auditorium is located in the main Barnes Jewish Hospital complex off Kingshighway, just north of Highway 40.

Park in the South Garage and walk across the skyway to the hospital. As you enter the Fountain Lobby, turn right and walk down the hall past the escalator. Follow signs for the East Pavilion Auditorium (yellow square). *Attendees are responsible for the cost of parking.*
