

CHARLES F. AND JOANNE KNIGHT ALZHEIMER'S DISEASE RESEARCH CENTER
2011 Tuesday Conference Seminar Schedule
East Pavilion Auditorium, BJH South 1st Floor -or- Wohl Auditorium, Wohl Clinic
12:00 - 1:00 PM

- | | | |
|----------|-------------------|---|
| April 5 | East Pavilion | Quantitative Analysis of PIB PET with FreeSurfer ROIs
Yi Su, PhD, Washington University |
| April 12 | East Pavilion | Knight ADRC Tissue Resources
Nigel Cairns, PhD, Anne Fagan, PhD, and Alison Goate, DPhil, Washington University |
| April 19 | East Pavilion | What the NIH Expects You to Know and Do about Responsible Conduct of Research
Monique Williams, MD and Doug Brown, PhD, Washington University |
| April 26 | East Pavilion | CSF Biomarkers for Alzheimer's Disease: For Research Only or Ready for Prime Time in the Clinical Setting? Findings From a Pilot Study
Joy Snider, MD, PhD, Washington University |
| May 3 | East Pavilion | Blood Oxygen Level Dependent Signal Changes Following Rotating Treadmill Training
Kristen Pickett, PhD (Earhart lab), Washington University |
| May 10 | East Pavilion | Can (and Should) Emergency Physicians Recognize Cognitive Dysfunction in Geriatric Adults?
Christopher R. Carpenter, MD, MSc, FACEP, FAAEM, Washington University |
| May 17 | Wohl Auditorium | Toward A Multifactorial Model of Alzheimer Disease
Martha Storandt, PhD, Washington University |
| May 24 | | Please attend the Center for Aging Friedman Conference
More details available online: http://wucfa.wustl.edu/Friedman/default.htm |
| May 31 | Connor Auditorium | State of the Alzheimer's Disease Research Center Address
John C. Morris, MD, Washington University |
| June 7 | Wohl Auditorium | 2011: A Data Odyssey: caTissue and ClinPortal Updates
Betsy Grant, PhD, Scot Fague, Mary Uhlmansiek, MA and Dave Mulvihill, Washington University |
| June 14 | Wohl Auditorium | Graph Theoretic Investigations of Functional Brain Networks in Healthy Aging
Gagan S. Wig, PhD (Petersen lab), Washington University |
| June 21 | Wohl Auditorium | Genetic Counseling and Testing for Autosomal Dominant Alzheimer Disease
Niki Armstrong, MS, CGC, Washington University |
| June 28 | Wohl Auditorium | Role of PICALM in AD Pathogenesis
Jin-Moo Lee, MD, PhD, Washington University |

If you have new findings to share in this series, or are interested in presenting relevant research at a future Tuesday Seminar, please contact Jennifer Phillips at 286-2882 or phillipsj@wustl.edu to schedule a presentation date. Thank you.

SPONSORED BY: This activity is being sponsored by Washington University School of Medicine, Continuing Medical Education.

ACCREDITATION: Washington University is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT: Washington University designates this live educational activity for a maximum of 1 *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

DISCLOSURE POLICY: It is the policy of Washington University School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational activities. All faculty participating in this activity are expected to disclose to the audience any financial interest or other relationship he/she has with the manufacturer(s) of any commercial product(s) discussed in an educational presentation. All physicians' disclosures were reported and are indicated with their presentations. Speakers are also expected to openly disclose inclusion of discussion of any off-label, experimental, or investigational use of drugs or devices in their presentations.

Presentations are expected to be based on evidence that is accepted within the profession of medicine as adequate justification for their indication in the care of patients. All scientific research should conform to the generally accepted standards of experimental design, data collection and analysis.

These presentations are the views and experiences of the presenters. The presenters' views do not represent the policy or position of Washington University School of Medicine. Washington University School of Medicine, Continuing Medical Education is the sponsor for CME credits.
