

CHARLES F. AND JOANNE KNIGHT ALZHEIMER'S DISEASE RESEARCH CENTER
2013 Tuesday Conference Seminar Schedule
East Pavilion Auditorium - BJH South, 1st Floor
12:00 - 1:00 PM

- July 2 **Alterations in fMRI Activity Associated with CSF Biomarkers**
Brian A. Gordon, PhD, Postdoctoral Research Fellow, Balota Lab
- July 9 **Alzheimer's Association International Conference Poster Preview Session**
11:30 - 1:00 Note Location: Farrell Learning and Teaching Center Atrium. Lunch will be Provided
- July 16 **No Seminar - Alzheimer's Association International Conference**
- July 23 **Alzheimer's Association International Conference Overview**
Carlos Cruchaga, PhD, Assistant Professor of Psychiatry; Jason Hassenstab, PhD, Assistant Professor of Neurology; and Matthew Brier, BA, Ances Lab, Washington University
- July 30 **Enhancing Lysosome Biogenesis to Attenuate Amyloid Plaque Pathogenesis.**
Abhinav Diwan, MD, FACC, FAHA, Assistant Professor of Internal Medicine, Washington University
- Aug 6 **TBA**
John M. Beale, Jr., PhD, Professor of Medicinal Chemistry and Pharmacognosy, Saint Louis College of Pharmacy
- Aug 13 **TBA**
Matthew Brier, BA, Ances Lab, Washington University
- Aug 20 **TBA**
Suzanne Schindler, MD, PhD, Knight ADRC Fellow and Diamond Lab, Washington University
- Aug 27 **Evaluation of Pre-Analytical and Analytical Factors that Contribute to Variability in CSF Biomarker Levels**
Aarti Shah, BA, Senior Research Technician, Washington University
- Sept 3 **AD Biomarkers and Normative Cognitive Data: the SuperNorms Approach**
Rachel Chasse, BA, Psychometrician, Knight ADRC
Attenuation of Practice Effects on Neuropsychological Performance is a Potential Marker of Preclinical Alzheimer's Disease
David Ruvolo, MSG, Research Patient Coordinator, Knight ADRC
- Sept 10 **Genetic Counseling and Testing for Autosomal Dominant Alzheimer Disease**
Niki Armstrong, MS, CGC, Washington University
- Sept 17 **Using the Eye to Look for Alzheimer's Disease**
David Beebe, PhD, Becker Professor of Ophthalmology and Visual Sciences, Washington University
- Sept 24 **Cognitive Function in Hospital Readmissions**
Stanley Birge, MD, Associate Professor of Medicine, Washington University

CME Documentation Information:

SPONSORED BY: This activity is being sponsored by Washington University School of Medicine, Continuing Medical Education.

ACCREDITATION: Washington University is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT: Washington University designates this live educational activity for a maximum of 1 *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

DISCLOSURE POLICY: It is the policy of Washington University School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational activities. All faculty participating in this activity are expected to disclose to the audience any financial interest or other relationship he/she has with the manufacturer(s) of any commercial product(s) discussed in an educational presentation. All physicians' disclosures were reported and are indicated with their presentations. Speakers are also expected to openly disclose inclusion of discussion of any off-label, experimental, or investigational use of drugs or devices in their presentations.

Presentations are expected to be based on evidence that is accepted within the profession of medicine as adequate justification for their indication in the care of patients. All scientific research should conform to the generally accepted standards of experimental design, data collection and analysis.

These presentations are the views and experiences of the presenters. The presenters' views do not represent the policy or position of Washington University School of Medicine. Washington University School of Medicine, Continuing Medical Education is the sponsor for CME credits.
