April 4  Amyloid Beta Levels are Influenced by the Circadian System  
Geraldine Kress, PhD, Instructor of Neurology, Musiek Lab, Washington University

April 11  In Vivo Detection of Brain Pathology in Preclinical and Early Alzheimer Disease with Gradient Echo Plural Contrast MRI  
Dmitriy A. Yablonskiy, PhD, Professor of Radiology, Washington University

April 18  AMPA-ergic Regulation of Amyloid-β Levels in an Alzheimer Disease Mouse Model  
Jane Hettinger, Cirrito Lab, Washington University

April 25  No Seminar – 2017 AAN Meeting, Boston

May 2  Annual Neurology Residents’ Seminar

May 9  OTM: Working With You To Protect and Promote Your Innovations  
Jennifer Richards, PhD, Licensing Associate, Office of Technology Management, Washington University

May 16  Knight ADRC Outreach, Recruitment and Education Core Update  
Andrea Denny, JD, MSSW, Instructor in Neurology, Washington University

May 23  TBA  
Clifford R. Jack, MD, Professor of Radiology, Mayo Clinic

May 30  Annual State of the Knight ADRC Lecture  
John C. Morris, MD, Friedman Distinguished Professor of Neurology and Director, Knight ADRC, Washington University

June 6  Rapidly Progressive Dementia in the Outpatient Clinic: More than Prions  
Gregory Day, MD MSc FRCPc, Instructor of Neurology, Washington University

June 13  Older Driver Fitness Assessment & MO Form 1528 Case Study and Training  
Andrea Denny, JD, MSSW, Instructor in Neurology, Washington University

June 20  TBA  
Gilbert Gallardo, PhD, Assistant Professor of Neurology, Washington University

June 27  Role of Epigenetic Gene Regulation in Huntington Disease  
Hiroko Yano, PhD, Assistant Professor of Neurological Surgery, Washington University
CME Documentation Information:

SPONSORED BY: This activity is being sponsored by Washington University School of Medicine, Continuing Medical Education.

ACCREDITATION: Washington University is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT: Washington University designates this live educational activity for a maximum of 1 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

DISCLOSURE POLICY: It is the policy of Washington University School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational activities. All faculty participating in this activity are expected to disclose to the audience any financial interest or other relationship he/she has with the manufacturer(s) of any commercial product(s) discussed in an educational presentation. All physicians’ disclosures were reported and are indicated with their presentations. Speakers are also expected to openly disclose inclusion of discussion of any off-label, experimental, or investigational use of drugs or devices in their presentations.

Presentations are expected to be based on evidence that is accepted within the profession of medicine as adequate justification for their indication in the care of patients. All scientific research should conform to the generally accepted standards of experimental design, data collection and analysis.

These presentations are the views and experiences of the presenters. The presenters’ views do not represent the policy or position of Washington University School of Medicine. Washington University School of Medicine, Continuing Medical Education is the sponsor for CME credits.
