

CHARLES F. AND JOANNE KNIGHT ALZHEIMER'S DISEASE RESEARCH CENTER
2017 Tuesday Conference Seminar Schedule
East Pavilion Auditorium - BJH South, 1st Floor
12:00 - 1:00 PM

- Jan 3 **Tau Kinetics in Vivo and In Vitro**
Chihiro Sato, PhD, Instructor of Neurology, Washington University
- Jan 10 **Selective Glucocorticoid Receptor Modulation in the APP/PS1 Mouse Model of Alzheimer Disease**
Kevin Noguchi, PhD, Assistant Professor of Psychiatry, and Carla Yuede, PhD, Assistant Professor of Neurology, Washington University
- Jan 17 **Beyond M*A*S*H: Alan Alda's Mission to Improve Science Communication**
Krista Moulder, PhD, Associate Professor of Neurology and Associate Executive Director, Knight ADRC, Washington University
- Jan 24 **APOE and TREM2 Are Critical for Microglial Response to Abeta Plaques**
Jason Ulrich, PhD, Assistant Professor of Neurology, Washington University
- Jan 31 **Potential Applications of Information from 24-hour Holter Recordings to Dementia Research**
Phyllis K. Stein, Ph.D., SEP, Associate Professor of Medicine, Director, HRV Lab, Washington University
- Feb 7 **Drift in Ab42 Measurements Over the Past Decade: The Problem and Potential Solutions**
Suzanne Schindler, MD, PhD, Assistant Professor of Neurology, Washington University
- Feb 14 **Surveillance of Alzheimer's Disease Symptomatology in Down Syndrome: A WU ADRC/IDDRC Feasibility Study**
Christina Lessov-Schlaggar, PhD, Assistant Professor of Psychiatry, Washington University
- Feb 21 **The Restless Mind In Alzheimer Disease**
Beau Ances, MD, PhD, Associate Professor of Neurology, Washington University
- Feb 28 **OTM: Working With You To Protect and Promote Your Innovations**
Jennifer Richards, PhD, Licensing Associate, Office of Technology Management, Washington University
- March 7 **Role of Epigenetic Gene Regulation in Huntington Disease**
Hiroko Yano, PhD, Assistant Professor of Neurological Surgery
- March 14 **Multimodal Data Analysis in Alzheimer Disease Research**
Yi Su, PhD, Assistant Professor of Radiology, Washington University
- March 21 **From the Waiting Room to the Living Room: Crowd-sourcing Dementia Diagnostics with Memento**
Robert Chen, MSTP-2, Washington University
- March 28 **Measuring Sleep in the MAP: An Update on HASD Project 2**
Brendan Lucey, MD, Assistant Professor of Neurology, Washington University School of Medicine

CME Documentation Information:

SPONSORED BY: This activity is being sponsored by Washington University School of Medicine, Continuing Medical Education.

ACCREDITATION: Washington University is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT: Washington University designates this live educational activity for a maximum of 1 *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

DISCLOSURE POLICY: It is the policy of Washington University School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational activities. All faculty participating in this activity are expected to disclose to the audience any financial interest or other relationship he/she has with the manufacturer(s) of any commercial product(s) discussed in an educational presentation. All physicians' disclosures were reported and are indicated with their presentations. Speakers are also expected to openly disclose inclusion of discussion of any off-label, experimental, or investigational use of drugs or devices in their presentations.

Presentations are expected to be based on evidence that is accepted within the profession of medicine as adequate justification for their indication in the care of patients. All scientific research should conform to the generally accepted standards of experimental design, data collection and analysis.

These presentations are the views and experiences of the presenters. The presenters' views do not represent the policy or position of Washington University School of Medicine. Washington University School of Medicine, Continuing Medical Education is the sponsor for CME credits.
