

# African American Participation in AD Research: Effective Strategies Workshop

7:00 AM	Breakfast / Registration	Eric P. Newman Center
8:00 AM	Welcoming Remarks	John C. Morris, MD, Friedman Distinguished Professor of Neurology and Director, Knight Alzheimer Disease Research Center, Washington University Cerise Elliott, PhD, Program Director, Dementias of Aging Branch of the Division of Neuroscience, National Institute on Aging David Pearlmutter, MD, Dean, School of Medicine, and Executive Vice Chancellor of Medical Affairs, Washington University
8:15 AM	<b>Session 1: African Americans in ADRD Research</b>	Moderator: John C. Morris, MD
8:20 AM	Racial Difference in ADRD: the Role of Cardiovascular and Genetic Risk Factors: Results from the Indianapolis-Ibadan Studies	Sujuan Gao, PhD, Professor of Biostatistics, Department of Biostatistics, Indiana University School of Medicine
8:35 AM	Dementia Epidemiology and Diverse Cohorts: Leveraging Population-based Data	Rachel Whitmer, PhD, Professor and Chief of Epidemiology, Public Health Sciences Department, Director of Epidemiology, Alzheimer's Disease Research Center, University of California, Davis
8:50 AM	Genetics of Alzheimer's Disease in African Americans	Goldie S. Byrd, PhD, Director, Maya Angelou Center for Health Equity, Wake Forest Baptist Medical Center
9:05 AM	Racial Disparities in Alzheimer Disease	John C. Morris, MD
9:20 AM	Q&A	
9:35 AM	<b>Session 2: African American ADRD Research Participation: Current Status</b>	Moderator: Goldie S. Byrd, PhD
9:40 AM	Barriers (and Facilitators) to Research Participation Among African Americans	Crystal Glover, PhD, Assistant Professor, Department of Behavioral Sciences, Rush University Medical Center (and) Rush Alzheimer's Disease Center
9:55 AM	Lifecourse Mechanisms of Alzheimer's Disease Disparities	Jennifer J. Manly, PhD, Professor, Taub Institute for Research on Alzheimer's Disease and the Aging Brain, Department of Neurology, Columbia University Medical Center
10:10 AM	Q&A	
10:25 AM	Break	
10:40 AM	<b>Session 3: Success in African American ADRD Research Participation</b>	Moderator: Crystal Glover, PhD

10:45 AM	Ongoing Efforts for Brain Donation in Minority Populations	Lisa L. Barnes, PhD, The Alla V. and Solomon Jesmer Professor of Gerontology and Geriatric Medicine, Rush University School of Medicine
11:00 AM	Recruiting Older African Americans for CSF Studies - Progress and Challenges	William T. Hu, MD, PhD, FAAN, Associate Professor of Neurology, Emory University
11:15 AM	Using Narrative to Promote African American Participation in AD Research	Jennifer H. Lingler, PhD, MA, CRNP, ORE Core Leader, Alzheimer Disease Research Center; Associate Professor of Nursing and Medicine, University of Pittsburgh
11:30 AM	Creating a Culture of Belonging in African American Brain Health Research: The SHARP Model	Raina Croff, PhD, Assistant Professor of Neurology, Layton Aging & Alzheimer's Disease Center, Department of Neurology, Oregon Health & Science University
11:45 AM	Q&A	
12:00 PM	Lunch	
1:00 PM	<b>Session 4: Institutional Improvements for ADRD Research</b>	Moderator: Carl V. Hill, PhD, MPH, Director, Office of Special Populations, National Institute on Aging, National Institutes of Health
1:05 PM	Building Bridges, Building Trust, Building Healthy Communities: Advancing African American Participation in Research	Stephen B. Thomas, PhD, Professor, Health Services Administration, Director, Maryland Center for Health Equity, Co-Director, MPH Health Equity Track, PI, NIH-NIMHD Center of Excellence on Race, Ethnicity & Health Disparities Research, School of Public Health, University of Maryland College Park
1:20 PM	Advancing Institutional Recruitment Infrastructure for Healthy Communities	Cerise Elliott, PhD
1:35 PM	Q&A	
1:50 PM	<b>Session 5: Improvement Strategies for African American Recruitment</b>	Moderator: Lisa L. Barnes, PhD
1:55 PM	Scientific Directions for the Exploration of Racial Disparities in Alzheimer Disease	Krista Moulder, PhD, Associate Professor of Neurology and Executive Director, Knight Alzheimer Disease Research Center at Washington University School of Medicine
2:10 PM	Recruitment and Retention Approaches for African Americans in Alzheimer Disease Research	Susy Stark, PhD, Associate Professor of Occupational Therapy, Washington University School of Medicine Roger Wong, MPH, MSW, PhD Candidate at Brown School, Washington University
2:25 PM	Break	
2:40 PM	Breakout Groups	Refer to topics and room locations inside folder
3:40 PM	Break	
3:55 PM	Breakout Group Reports	Crystal Glover, PhD Jonathan Jackson, PhD, Instructor in Neurology; Director, Community, Access, Recruitment, & Engagement (CARE) Research Center; Massachusetts General Hospital, Harvard Medical School Joyce Balls-Berry, PhD, MPE, Assistant Professor, Department of Health Sciences Research, Division of Epidemiology, Mayo Clinic
4:45 PM	Q&A	
5:00 PM	Concluding Remarks	John C. Morris, MD
