Cognition Core Director for DIAN-TU
- Nov 1 **AV-1451 PET Imaging of Tauopathy in Preclinical Alzheimer Disease**
Shruti Mishra, Benzinger Lab, Washington University
- Nov 8 **TBA**
Henry Paulson, MD PhD, Lucile Groff Professor of Neurology, Director, Michigan Alzheimer's Disease Center,
Co-Director, UM FastForward Protein Folding Diseases Initiative, University of Michigan
- Nov 15 **Regulation of Neuroinflammation and Amyloid-beta Dynamics by Circadian Clock Genes**
Erik Musiek, MD, PhD, Assistant Professor of Neurology, Washington University
- Nov 22 **Eliciting and Eliminating Prospective Memory Commission Errors**
Julie Bugg, PhD, Assistant Professor of Psychological and Brain Sciences, Washington University
- Nov 29 **Using Stem Cell Models to Understand Alzheimer Disease Risk Genes**
Celeste Karch, PhD, Assistant Professor of Psychiatry, Washington University
- Dec 6 **Tau PET Imaging in Alzheimer Disease and Other Disorders**
Brian Gordon, PhD, Instructor in Radiology, Washington University
- Dec 13 **APOE4 Markedly Exacerbates Tau-mediated Neurodegeneration in a Mouse Model of Tauopathy**
Yang Shi, Holtzman Lab, Washington University
- Dec 20 **No Seminar – Winter Break**
- Dec 27 **No Seminar – Winter Break**

CME Documentation Information:

SPONSORED BY: This activity is being sponsored by Washington University School of Medicine, Continuing Medical Education.

ACCREDITATION: Washington University is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT: Washington University designates this live educational activity for a maximum of 1 *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

DISCLOSURE POLICY: It is the policy of Washington University School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational activities. All faculty participating in this activity are expected to disclose to the audience any financial interest or other relationship he/she has with the manufacturer(s) of any commercial product(s) discussed in an educational presentation. All physicians' disclosures were reported and are indicated with their presentations. Speakers are also expected to openly disclose inclusion of discussion of any off-label, experimental, or investigational use of drugs or devices in their presentations.

Presentations are expected to be based on evidence that is accepted within the profession of medicine as adequate justification for their indication in the care of patients. All scientific research should conform to the generally accepted standards of experimental design, data collection and analysis.

These presentations are the views and experiences of the presenters. The presenters' views do not represent the policy or position of Washington University School of Medicine. Washington University School of Medicine, Continuing Medical Education is the sponsor for CME credits.
