

CHARLES F. AND JOANNE KNIGHT ALZHEIMER'S DISEASE RESEARCH CENTER
2018 Tuesday Conference Seminar Schedule
East Pavilion Auditorium - BJH South, 1st Floor
12:00 - 1:00 PM

- Jan 2 **Sleep and Its Interaction with Tau Pathology in the Brain and Tau Protein in the ISF**
Jerrah Holth, PhD, Holtzman Lab, Washington University
- Jan 9 **Circular RNAs in Alzheimers Disease Brain Tissues**
Umber Dube, MSTP Student, Cruchaga Lab, Washington University
- Jan 16 **The Unfulfilled Promise of Advance Care Planning in Dementia**
Tim Holden, MD, Knight ADRC Fellow, Washington University
- Jan 23 **Targeting the AD-Associated Risk Gene, TREM2, with Antisense Oligonucleotides**
Kathleen Schoch, PhD, Miller Lab, Washington University
- Jan 30 **Non-pharmacological Dementia Intervention: Local Translational Efforts**
Jill Cigliana, MSOT, OTR/L, Program Director, Memory Care Home Solutions
- Feb 6 **TBA**
Carlos Cruchaga, PhD, Washington University
- Feb 13 **Anti-apoE Antibodies Reduced Amyloid Pathology by Active Recruitment of Microglia in APPS1- 21/apoE4 Mice**
Monica Xiong, Holtzman Lab, Washington University
- Feb 20 **African Admixture. Implications for Cognitive Decline in Alzheimer Disease.**
Jorge J Llibre Guerra. MD, MSc, Cognitive and Behavior Unit, National Institute of Neurology, La Habana, Senior Atlantic Fellow, Memory and Aging Center, UCSF Memory and Aging Center
- Feb 27 **Genetic Counseling Issues in Testing for Alzheimer's Disease**
Tomi L. Toler, MS, CGC, Certified Genetic Counselor, Washington University
- March 6 **Clinical Translational Science Support Available for Knight ADRC Investigators**
Susan Stark, PhD, OTR/L, FAOTA, Associate Professor of Occupational Therapy and Neurology and Betsy Keath, PhD, Assistant Professor of Medicine, Division of General Medical Sciences, ICTS Translational Research Program Officer, Washington University
- March 13 **Exercise and Mindfulness Training in Older Adults: An Opportunity to Delay the Onset of Dementia?**
Eric Lenze, MD, Professor of Psychiatry, Washington University
- March 20 **Making a Difference for Persons with Dementia: Cognitive Stimulation Therapy**
John E. Morley, MB, BCH, Dammert Professor of Gerontology, Chair, Division of Geriatric Medicine, Saint Louis University School of Medicine and Marla Berg-Weger, PhD, LCSW, Professor, Executive Director, Gateway Geriatric Education Center, Saint Louis University School of Social Work
- March 27 **Trem2: Key to Microglial Fitness in Alzheimer Disease**
Tyler K. Ulland MS, PhD, Colonna Lab, Washington University

CME Documentation Information:

SPONSORED BY: This activity is being sponsored by Washington University School of Medicine, Continuing Medical Education.

ACCREDITATION: Washington University is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT: Washington University designates this live educational activity for a maximum of 1 *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

DISCLOSURE POLICY: It is the policy of Washington University School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational activities. All faculty participating in this activity are expected to disclose to the audience any financial interest or other relationship he/she has with the manufacturer(s) of any commercial product(s) discussed in an educational presentation. All physicians' disclosures were reported and are indicated with their presentations. Speakers are also expected to openly disclose inclusion of discussion of any off-label, experimental, or investigational use of drugs or devices in their presentations.

Presentations are expected to be based on evidence that is accepted within the profession of medicine as adequate justification for their indication in the care of patients. All scientific research should conform to the generally accepted standards of experimental design, data collection and analysis.

These presentations are the views and experiences of the presenters. The presenters' views do not represent the policy or position of Washington University School of Medicine. Washington University School of Medicine, Continuing Medical Education is the sponsor for CME credits.
